

A photograph of a herd of wildebeest in a savanna landscape. The animals are scattered across a dry, rocky plain with sparse vegetation. The lighting is bright, suggesting a sunny day. The wildebeest are in various poses, some grazing and others standing. The background shows a hazy horizon under a clear sky.

MATEMWE LODGE

ZANZIBAR, TANZANIA

Zanzibar is mysterious, romantic, and intriguing. Explore it and discover its evocative heritage of sultans, slave traders, and spice merchants. Swim in the turquoise waters and rest on the white coral sands beneath a palm tree. Here it is possible to explore fascinating Stone Town, a designated world heritage site, walking its narrow streets and discovering the old slave market. The Jozani forest is home to orchids and red Colobus monkeys.

The waters are inviting for sailing, snorkeling and scuba diving! Time slips by here, where the only worry is what dish to choose at mealtime. This is a diverse island holiday with culture, beach, and water activities.

Matemwe is located in the north-east of Zanzibar, surrounded by some of the best beaches of Zanzibar and opposite the well-known Mnemba atoll, hotspot for scuba diving and snorkeling.

Matemwe's exclusive location, away from the big hotels, gives the beaches a very private feeling. Beautiful fleets of fishermen in traditional wooden dhow boats sail past on their way to and from their fishing grounds.

Matemwe is an intimate lodge with 12 luxury suites perched on a coral rock. Matemwe's friendly staff, relaxed atmosphere and excellent cuisine (specialized in fresh fish & seafood) are renowned. This, and 2 intimate swimming pools, lush tropical gardens, massages and cocktails make Matemwe the ultimate tropical paradise.

Enjoy fantastic diving & snorkeling, sipping a cocktail on the beach or enjoy unforgettable views of the Indian Ocean from the poolside or from the comfortable sofas and hammocks of your private veranda.
